In collaboration with

The Chartered Institute of Logistics and Transport Ghana (CILT Ghana)

Is pleased to invite prospective applicants to enroll in the:

International Professional Diploma in Logistics and Transport - DILT Weekend Course (Saturdays Only)

General objective:
The course aims at equipping participants with the knowledge and skills to manage Transport and Logistics and Supply Chain Operations of their organizations.

Specific objectives:
- At the end of the course the participants will be able to:
  - Professionally manage inventories and warehouse operations
  - Evaluate financing options for transport acquisition and operations
  - Undertake a strategic review of the logistics and transport environment
  - Analyse logistics and supply chain processes for competitive advantage
  - Apply the principles of managing passenger transport operations across all modes to the Ghanaian environment
  - Appreciate the impact of global supply chains on local logistics and transport operations

Benefits of the course include the following:
- An opportunity to join and qualify for membership of the world’s most established professional body for Logistics and Transport with post nominals as MILT
- An opportunity to pursue the Advanced Diploma Programme (Professional Degree equivalent) in Logistics and Transport
- Take advantage of the superior local and international Continuing Professional Development CILT offers its members

Course content:
The course consists of the following modules of which candidates must successfully complete five (5) through examinations (2 mandatory + 1 elective + 2 optional) or (2 mandatory + 2 electives + 1 optional). The modules are:

**Mandatory**
